006	Spread of Covid-19 Coronavirus Travel	<ul style="list-style-type: none"> • Staff • Visitors to your premises • Cleaners • Contractors • Drivers • Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions • Anyone else who physically encounters people in relation to your business 	<p>Travel Employees do not travel unless they cannot work from home.</p> <p>Implement teleconferencing for meetings.</p> <p>Continue to follow any further national government advice provided.</p> <p>All employees to limit their use of public transport. Where travel is essential, use private single occupancy where possible.</p>	1	4	4	Management to continue to monitor	1	4	4

Ref No:	Hazard	People at Risk	Current Controls	L	S	RR	Actions to Reduce Risk Rating	L	S	RR
007	Spread of Covid-19 Coronavirus Canteen eating areas	<ul style="list-style-type: none"> Staff Visitors to your premises Cleaners Contractors Drivers Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions Anyone else who physically encounters people in relation to your business 	<p>Canteens / eating</p> <ul style="list-style-type: none"> Employees are encouraged to stay on site once they have entered it and only use local shops if absolutely necessary. Dedicated eating areas have been identified on site to reduce food waste and contamination. Break times have been staggered to reduce congestion and contact at all times. Workers sit 2 metres apart from each other whilst eating and avoid all contact. Drinking water is provided with enhanced cleaning measures of the tap mechanism in place. Tables are cleaned between each use. All rubbish is put straight in the bin and not left for someone else to clear up. All areas used for eating are thoroughly cleaned at the end of each break and shift, including chairs, door handles, vending machines and payment devices. <p>Employees will be asked to bring pre-prepared meals and refillable drinking bottles from home.</p>	2	4	8	<p>Wherever possible employees should be organised into cohorts or groups built around natural work teams.</p> <p>Hand cleaning facilities or hand sanitiser must be available at the entrance of any room where people eat and should be used by employees when entering and leaving the area.</p> <p>Queue points on the floor should be clearly marked to ensure social distancing is possible.</p> <p>Where catering is provided on site, ideally it should provide pre-prepared and wrapped food - Payments should be taken by contactless card wherever possible and crockery, eating utensils, cups etc. should be thoroughly cleaned after each use.</p> <p>All doors and windows should remain open wherever possible to allow greater ventilation and prevent touching of window handles.</p> <p>Staggered timing should be implemented and restrictions on the number of people in the restaurant.</p>	1	4	8

Ref No:	Hazard	People at Risk	Current Controls	L	S	RR	Actions to Reduce Risk Rating	L	S	RR
008	Spread of Covid-19 Coronavirus Changing facilities, showers and drying rooms	<ul style="list-style-type: none"> Staff Visitors to your premises Cleaners Contractors Drivers Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions Anyone else who physically encounters people in relation to your business 	<p>Changing Facilities</p> <ul style="list-style-type: none"> Staggered start and finish times introduced to reduce congestion and contact at all times. Enhanced cleaning in place for all facilities throughout the day and at the end of each day. Provision of suitable and sufficient rubbish bins in these areas with regular removal and disposal. <p>Accommodation Block</p> <ul style="list-style-type: none"> The accommodation block has now reopened and has sufficient signage and sanitiser points. 	2	4	8	<p>The gym is currently closed, once Government guidance allows it to reopen a review of the whole process will be undertaken and will consider the following.</p> <p>Consider increasing the number or size of facilities available on site if possible.</p> <p>Based on the size of each facility, determine how many people can use it at any one time to maintain a distance of two metres or one metre with risk mitigation.</p>	1	4	4

Ref No:	Hazard	People at Risk	Current Controls	L	S	RR	Actions to Reduce Risk Rating	L	S	RR
009	Spread of Covid-19 Coronavirus Welfare facilities	<ul style="list-style-type: none"> • Staff • Visitors to your premises • Cleaners • Contractors • Drivers • Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions • Anyone else who physically encounters people in relation to your business 	<p>Welfare facilities</p> <ul style="list-style-type: none"> • Washing of hands thoroughly and regularly with soap and water for at least 20 seconds is practiced. • Avoidance in touching face/eyes/nose/mouth with unwashed hands practiced. • Covering coughs or sneezes with a tissue then throwing it in the bin. • Regularly cleaning of the hand washing facilities and checking soap and sanitiser levels in place • Suitable and sufficient rubbish bins for hand towels in place with regular removal and disposal. • Washing of hands before and after using the facilities • Enhanced cleaning regime for toilet facilities particularly door handles, locks, and the toilet flush in place • Use of alcohol-based hand sanitiser if soap and water is not available and hand washing technique to be adopted as directed by NHS. • Provide additional hand washing facilities to the usual welfare facilities if a large spread out site or significant numbers of personnel on site. • Sites premises will need extra supplies of soap, hand sanitiser and paper towels and these should be securely stored. • Restrict the number of people using toilet facilities at any one time • —All Toilet and entry/exit point door- handles are to be cleaned and disinfected regularly throughout the day. (This timeframe may well change when clients return to site). 	1	4	4	<p>Management to continue to Monitor.</p> <p>Inner toilet doors are to be removed to reduce contact points.</p>	1	4	4

Ref No:	Hazard	People at Risk	Current Controls	L	S	RR	Actions to Reduce Risk Rating	L	S	RR
010	Spread of Covid-19 Coronavirus Drivers	<ul style="list-style-type: none"> • Staff • Visitors to your premises • Cleaners • Contractors • Drivers • Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions • Anyone else who physically comes in contact with you in relation to your business 	<p>Drivers Provision has been made to ensure delivery drivers can use welfare facilities as needed. (It should be noted however that deliveries will be kept to an absolute minimum.)</p>	2	4	8	<p>As the site is partially closed workplace transport isn't currently being used however when the site fully re-opens the use of vehicles will be reviewed and the following will be considered.</p> <p>Persons should not share vehicles or cabs, where suitable distancing cannot be achieved .</p>	4	1	4

Ref No:	Hazard	People at Risk	Current Controls	L	S	RR	Actions to Reduce Risk Rating	L	S	RR
011	Spread of Covid-19 Coronavirus Mental Health	<ul style="list-style-type: none"> • Staff • Visitors to your premises • Cleaners • Contractors • Drivers • Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions • Anyone else who physically comes in contact with you in relation to your business 	<p>Mental Health Management promote mental health & wellbeing awareness to employees during the Coronavirus outbreak and will offer whatever support they can to help</p> <p>Reference - https://www.mind.org.uk/information-support/coronavirus-and-your-wellbeing/ www.hseni.gov.uk/stress</p> <p>Regular 1:1 meeting are being undertaken. An employee survey is being undertaken, mental health forms part of this. All employees have access to an EAP programme.</p>	1	4	4	<p>Management will continue to monitor.</p> <p>A reissuing of homeworking advice is required.</p>	1	4	4

Ref No:	Hazard	People at Risk	Current Controls	L	S	RR	Actions to Reduce Risk Rating	L	S	RR
012	Spread of Covid-19 Coronavirus Symptoms of Covid-19	<ul style="list-style-type: none"> • Staff • Visitors to your premises • Cleaners • Contractors • Drivers • Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions • Anyone else who physically comes in contact with you in relation to your business 	<p>Symptoms of Covid-19 If anyone becomes unwell with a new continuous cough or a high temperature or displays any of the additional symptoms of Covid-19 in the workplace they should be sent home and advised to follow the stay at home guidance.</p> <p>Managers should maintain regular contact with employees during this time.</p> <p>If advised that a member of staff or public has developed Covid-19 and were recently on our premises (including where a member of staff has visited other workplace premises such as domestic premises), the management team of the workplace will contact the Public Health Authority to discuss the case, identify people who have been in contact with them and will take advice on any actions or precautions that should be taken. https://www.publichealth.hscni.net/</p>	1	4	4	Management to continue to monitor	1	4	4

Ref No:	Hazard	People at Risk	Current Controls	L	S	RR	Actions to Reduce Risk Rating	L	S	RR
013	Spread of Covid-19 Coronavirus Suspected case whilst working	<ul style="list-style-type: none"> Staff Visitors to your premises Cleaners Contractors Drivers Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions Anyone else who physically comes in contact with you in relation to your business 	<p>Suspected case whilst working If a worker develops a high temperature or a persistent cough, or displays any of the additional symptoms of Covid-19 while at work, they are to:</p> <ul style="list-style-type: none"> Return home immediately. Avoid touching anything. Cough or sneeze into a tissue and put it in a bin, or if they do not have tissues, cough, and sneeze into the crook of their elbow. <p>They should then follow the guidance on self-isolation and not return to work until their period of self-isolation has been completed</p>	1	4	4	Management to continue to monitor	1	4	4

014	Spread of Covid-19 Coronavirus via Air-Conditioning Systems	<ul style="list-style-type: none"> • Staff • Visitors to your premises • Cleaners • Contractors • Drivers • Vulnerable groups – Elderly workers, Pregnant workers, those with existing underlying health conditions 	Centralised ventilation systems (that remove and circulate air to different rooms) recirculation has been turned off and a fresh air supply used. As per HSE guidance 22 nd May 2020.	1	4	4	Estates to continue to monitor. Windows and doors (as far as possible) should be opened to allow airflow within office and rooms.	1	4	4
-----	---	---	--	---	---	---	--	---	---	---

This risk assessment has been issued as a guideline only and should not be considered as an exhaustive list. The observations and recommendations are only pertinent to the conditions at the time of the assessment. Regular inspections and review of risk assessments are required to ensure standards are maintained. It is your responsibility to assess and manage risk according to your own setting.

Assessor: Peter McAlister	Signature: 	Date: 05.03.2021
Customer Acceptance:	Signature: 	Date: 08.03.21

Customer Acceptance: This assessment is accepted by the customer as a true and fair representation of risks associated with the tasks/location assessed. It has been checked for any missing risk that the assessor may be unaware of.

Severity \ Likelihood	Intolerable (5)	Significant (4)	Moderate (3)	Slight (2)	Negligible (1)	R i s k
Very likely (5)	High (25)	High (20)	High (15)	High (10)	Medium (5)	
Probable (4)	High (20)	High (16)	High (12)	Medium (8)	Low (4)	
Possible (3)	High (15)	High (12)	Medium (9)	Medium (6)	Low (3)	
Remote (2)	High (10)	Medium (8)	Medium (6)	Low (4)	Low (2)	
Improbable (1)	Medium (5)	Low (4)	Low (3)	Low (2)	Low (1)	

Low (1 – 4): The risk is acceptable as it is probably small or trivial. Monitor to ensure controls are maintained.

Medium (5– 9): The risks are considered significant. The task should not be started until control measures have been introduced to reduce the risk to an acceptable level. The task must be monitored to ensure the control measures are suitable.

High (10 – 25): The risks are considered intolerable. On no account should the work be started or continued with until the risk has been reduced to an acceptable and manageable level. If the risks cannot be reduced to manageable level then the task must not be attempted.
